DAMRAK
Amsterdam
GIN

Damrak is the authentic gin-brand from Amsterdam.
It is distilled in the distillery within a stone's throw from Café Luxembourg.
With fresh citrus notes, Damrak is everything but a standard London dry gin. It's like a real Amsterdammer: proud yet accessible, clever yet genuine, edgy yet deep-down smooth and charming.
DAM tasty in a gin & tonic, served with a slice of orange or two.
We serve 'the best DAM gin' to spread Amsterdam pride all over the world.
